PRO SUPERVISED

LADIES DROP IN DOUBLES

Every Thursday 9am-11am

Starting Sept. 10th

Please come and join in the fun of our ladies drop in doubles social every Thursday. No need to call ahead and book a spot just rock up and be ready to play some fun doubles matches. Don't worry that we will be odd numbered because there will be a pro there playing with us, and who doesn't love to play 'try and beat the pro'!!!

All levels are welcome to play. We will rotate partnerships around the courts every 30 min to give us all a chance to play with everyone. Rotating partnerships at 9:30, 10:00, 10:30 and 11:00 so in case someone is running late, they can time it to arrive just in time for the next rotation.

Members are welcome to invite non members. Non members will pay 3.00 to play. We are asking everyone to please chip in .50 cents towards the ball fund so we have nice balls to play with on Social Thursdays.

When you arrive, please sign in on the clip board provided. The first 4 to arrive grab a can of balls and go out and play. Then the next four to arrive, grab a can of balls and go out and play, and so on. At 9:30 we will start the partnership rotations.

Rotations will be easy so we don't cut into playing time: 2 people will move to the next court higher then they were on, and pair up with the ladies waiting on that court. For example 2 on court # 1 will move to court #2, 2 on court #2 will move to court 3, and so on... 2 on court 8 will move to court #1.
